

## **Information on implementing the REACH regulation in KAESER KOMPRESSOREN**

The European Union regulation 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) came into effect on 01.07.2007. This regulation applies to all:

- manufacturers
- users
- and importers

of chemical substances. The regulation is valid in the EU.

From 01.01.2009 all chemical substances and preparations, which are

- manufactured
- marketed
- imported

into the EU must be pre-registered or registered.

**All affected KAESER products are pre-registered in due time. We will publish information on registration activities at the appropriate time.**

The current regulation can be found in all official languages of the EU by following the link below.
